

down, perhaps we can get that done, and the Chair would ask your cooperation in at least maintaining order so that we could proceed in an orderly way for the consideration of LB1053. Now the Clerk has been instructed to read the bill. He will proceed to read the bill. Please pay attention.

CLERK: Read 1053

PRESIDENT: Stand by, Senator Chambers for what purpose do you rise?

SENATOR CHAMBERS: Mr. President, members of the legislature, I have a motion that I would like to put, if in order, would it be in order at this time to move that the rules be suspended to avoid the rule which says that one Senator can request the bills be read in their entirety on General File.

PRESIDENT: As it applies to the specific instance?

SENATOR CHAMBERS: Yes.

PRESIDENT: You can make it binding only for this particular bill at this time. Yes, the Chair would accept that motion a...

SENATOR CHAMBERS: That is the motion that I make at this time that the rules be suspended.

PRESIDENT: To eliminate the reading of 1053?

SENATOR CHAMBERS: Yes.

PRESIDENT: Is there need for further discussion of the motion? The question is do you want to suspend the rules which would eliminate one senator being able to require in this instance that 1053 be read if you want to suspend the rules for that purpose vote aye, if not vote no. It does take 30 votes. Senator Carpenter.

SENATOR CARPENTER: I want a roll call vote as a matter of record that we don't care to have the bill read.

PRESIDENT: OK, Senator Carpenter is asking for a roll call vote. The motion under discussion under vote, is do you want to suspend the rules, which in this instance would eliminate at the request of Senator Carpenter for the reading of the bill 1053 in full. That motion is to suspend the rules, and he has asked for a roll call vote on this. It takes 30 votes of course to suspend the rules. Senator Chambers motion. Roll call vote.

CLERK: Roll call vote. 15 ayes, 25 nays, 9 not voting. (vote appears on pages 1230-1231 in the Legislative Journal).

PRESIDENT: Motion is to suspend the rules. The motion to suspend the rules fails. Senator Chambers.

SENATOR CHAMBERS: Mr. President, I have but one comment to make. After all of the belly aching that I have heard on this floor about the waste of time, and to see men out of frustration and anger do something which is going to be a worst waste of time a than some of the debate is to me incomprehensible. I do want to thank whoever was responsible for rigging those little PA boxes in our offices, because that is the point from which
